Job listings remain active in our job bank for 14 days, unless specified differently by the employer.

Are employers permitted to prescreen? Yes

First Year Students

The Office of Career Strategy at St. Mary's Law believes that early engagement is critical to students' long-term career success and satisfaction. This engagement occurs in a variety of ways, from small-group discussion, wide-ranging programming and relationship-building events, key document creation, large class instruction, and, most importantly, individualized career advising. First-year students are introduced to the Office of Career Strategy over the summer and again at orientation, when, in addition to providing an overview of the office, we conduct a practical workshop (the topic changes each year) that gets students thinking about their career and professional development. They then have a wide variety of ways in which to engage with our office and all that we offer throughout the year. As a member of the Texas Consortium, a collaboration between all of the Texas law schools, St. Mary's Law encourages first-year students to participate in the Public Service Career Fair each winter, the first organized opportunity for students to secure employment for the summer between their first and second years. First-year students are also able to apply for summer positions posted in our online job bank and participate in the Spring Recruitment Program.
